

Sherwin Williams Paint Palettes when Brick is being Painted

The ARC Committee will review each home before and after painting to ensure color placement per the below guidelines. Any change without written approval will result in a fine and that correction(s) be made. Approved colors will be evaluated by using the “pie diagram”. No two houses on either side or the one directly across the street including one on either side of that can be painted the same colors. **The ARC Committee will deny any application for proximity to the same or similar palette.**

#1	SW 2827 Colonial Revival Stone (Body) SW 7532 Urban Putty (Trim) SW 7061 Night Owl (Shutters) SW 7040 Smokehouse (Doors)	#5	SW 7030 Anew Fray (Body) SW 7067 Cityscape (Trim) SW 6992 Inkwell (Shutters) SW 7066 Gray Matters (Doors)

Please note, these color schemes are for planning purposes. Selection of a scheme does not guarantee approval. Consideration for façade, roof color and proximity to other homes will be considered.

It is necessary to submit an application for all painting and receive approval prior to painting. Please understand that failure to adhere to the process will result in a \$1,000 fine, a \$25 per day fine, and the possibility of repainting your home.
