

Community Tennis Court Etiquette & Rules

To ensure a respectful and enjoyable environment for all, please follow these rules when using the community tennis courts.

Court Reservations

1. Online Reservations Required

- All court time must be booked in advance through the official online reservation system. Walk-ons are not allowed unless the court remains unbooked 10 minutes before use.

2. Reservation Time Limits

- 2-hour max
- One active reservation per household at a time. No double booking!

3. Cancellation Courtesy

- Cancel your reservation at least 2 hours ahead if you won't make it.
-

Gate & Access Rules

1. Do Not Block the Electronic Gate

- **Blocking the sensor or propping the gate open with tennis balls, rocks, or objects is prohibited.**
- This compromises both security and safety and may result in restricted court access.

2. Proper Gate Use

- Always use your key fob or app.
 - Make sure the gate closes behind you.
 - Do not allow others to enter without scanning in.
-

Shared Courts

1. Be Aware of Adjacent Play

- Be mindful that errant balls or loud distractions affect nearby courts. Keep noise and movement to a minimum.

2. Wait for Natural Breaks

- Only cross behind or between courts during a changeover or after a point ends.

3. Return Balls Respectfully

- Roll or hit stray balls gently back along the back fence—not across a court during play.

4. Limit Disruptions

- Refrain from coaching, loud calls, or standing in players' line of sight.

5. Respect Other Players' Game Pace

- Avoid long conversations or activities near players who are mid-rally or in a competitive match.
-

General On-Court Etiquette

1. Arrive & Leave on Time

- Do not enter the court before your reserved time. Exit promptly when your session ends.

2. Keep It Clean

- Take all belongings and trash with you.

Violations & Enforcement

- Misuse of the gate, reservation system, or disregard for court etiquette may result in a warning or suspension of access.
- Security footage may be reviewed in response to complaints.

Thank you for showing respect to your fellow players and helping keep our courts welcoming, safe, and fair for all!
