

Morningview HOA Tennis Rules

Tennis Courts are reserved for the use of qualified residents and their guest. Guests are permitted to use the courts **ONLY** while accompanied by a qualified resident. You must have your current year amenity tag with you while using a court as you may be asked to show your tag by a Board Member or Management. Resident team members should always be present during ALTA, USTA, and other league matches and practices.

- Use tennis court(s) at your own risk.
- Proper footwear required, no street shoes.
- No pet(s), food, or glass containers on court(s)
- **Courts are ONLY for tennis use.** Bikes, skates, skateboard, or other activities are prohibited.
- Courts are available on a first come, first served basis unless prior reservations were made on a posted reservation calendar. Court reservations can be made at www.reservemycourt.com.
- One court is to remain open for non-league play or practice.
- Please turn off court lights when you are finished playing.
- Please remove all belongs and trash upon exiting the court.
- Do not attempt to move benches as that may cause damage to the court surface.
- Please report any wind screen, net, or lighting issues.
- The amenity area closes at 10:00 pm.

COURT RESERVATIONS are at:

www.reservemycourt.com

Non-Resident Policy-

Non-Resident Policies

- Adult non-resident fees are set at \$50 per person per league (USTA, ALTA) per season (Winter, Spring, Summer & Fall).
- Junior non-resident fees are set at \$25 per person per league per season.
- There is an annual cap on the fees paid by a single non-resident and/or by a single non-resident family. The cap will be \$100 per adult, \$45 per junior and \$150 per family. The annual cap will be implemented on a calendar-year basis and it will be the responsibility of the non-resident player to inform the MV Tennis Committee, via the team captain, when they have reached this cap.
- The person listed as team captain is responsible for submittal of the applicable non-resident fees. If these fees are not submitted by the last week of the regular season, the Tennis Committee will hand the matter over to the Morningview HOA Board of Directors for resolution.
- Each team wishing to add any (be it the first, second, third or fourth) non-resident player to the team roster must advertise for players at the MV clubhouse beginning at least two (2) weeks before rosters are due to the appropriate league.
- A single team may add up to two (2) non-residents without prior approval from the Tennis Committee.
- A single team may add an additional two (2) non-residents (for a total of four (4)) after getting approval from the Tennis Committee.
- Adult teams may have up to four (4) non-residents on the roster. Junior Teams may have up to 5.
- Once a non-resident has been added to a team roster, that team will not have to advertise to keep that same non-resident on the roster for the next season. If that same non-resident does not play for one (1) league season and then wishes to return to the team, the team will have to advertise for players before adding the non-resident back to the roster. If the team desires to add a different non-resident, the team will have to advertise.
